

Woodwind Repair Price List 2011

***P.C.(Playing Condition) Includes:**

Level and seat all pads, remove minor dents, regulate and adjust all keys, oil key mechanisms and replace needed corks. Extra charge for major dents, pads, tenon and neck corks, excessive key straightening and swedging, cleaning and solder work.

****Complete Repad Includes:**

Clean body and keys; replace all pads, corks and felts; straighten bent keys; remove minor dents; polish keys; level and seat all pads; regulate and adjust all keys; oil key mechanisms; swedge needed keys; minor solder work. Extra charge for extensive dent work, extensive soldering, silver plate cleaning and replating.

These costs are estimates and actual charges may vary due to the nature and extent of the repair. Not all repairs are listed. We will accurately quote your cost upon request. Call our Band Department @ (920)923-1925 or email: mike@mikesmusic.net
